

Sonographer

Hope for Women Pregnancy Services
Prince George, BC
\$30 - \$40 an hour - Part-time, Casual, Permanent

Position Summary: Hope for Women Pregnancy Services is looking for an experienced sonographer to provide recreational ultra-sound services to clients at our Prince George location. Hope for Women is an initiative of Advokate Life & Education Services Society, a registered charity dedicated to promoting the inherent worth and dignity of every human being. The role of the sonographer is instrumental in helping women facing unplanned pregnancies make an informed decision regarding their pregnancy options.

The ideal candidate is enthusiastic about our cause, has experience and training using ultra-sound equipment, and has a flexible schedule.

Key Qualifications:

- Strong belief in the value of all human life from conception to natural death.
- Fully committed to the society's mission, vision and values (www.advokate.ca).
- Training and experience in sonography.
- Experience in counselling or mentoring women.
- Excellent interpersonal skills.
- Flexible schedule.

Preferred Education, Training & Experience:

- Diploma in sonography or equivalent experience.

Major Responsibilities

- Provide direct sonographic services to pregnant mothers.
- Oversee the maintenance of all ultrasound equipment.
- Oversee the procurement of better ultrasound equipment and additional ultrasound machines when necessary.
